## Tuition

## 2026-2027 School Year

Tuition is due on the first of each month. Please contact us immediately if you are having difficulty with payments so we can work with you to bring the account current. If a tuition payment is more than 1 month overdue, your child(ren) will not be allowed to attend until tuition fees are current, including extended care fees. Accounts that remain delinquent and are placed for collections may be charged a reasonable attorney fee, collection fees, and/or court costs. Checks & money orders (made out to: ESCLC) can be delivered to the school office. We will NOT be accepting cash payments.
